

PRINTER CONFIGURATION SERVICES

GETTING STARTED CONFIGURATION SERVICES

You recently made a printer purchase, what happens next? Don't let firmware, software, or network configurations slow you down. Your business has unique systems that need to communicate with one and another. Use our team as a resource for all of your printer configuration needs to guarantee your printer is functioning properly as quickly as possible.

PRINTER CONFIGURATION SERVICES INCLUDE:

- Firmware upgrade or downgrade
- Hardware assembly
(interface card, memory upgrade, does not include Zebra rewind kits)
- Software configuration files loaded
- Network configuration
(IP addresses, security settings, etc)
- Connectivity/ functionality testing
